What is Genio Notes and how can it help?

Genio Notes is a web and mobile note taking and study tool that's **designed to capture everything** from your class.

Are you:

- **Struggling to fully engage** in class?
- Worried about **missing important info**?
- **Finding it hard to pick out the best bits**?
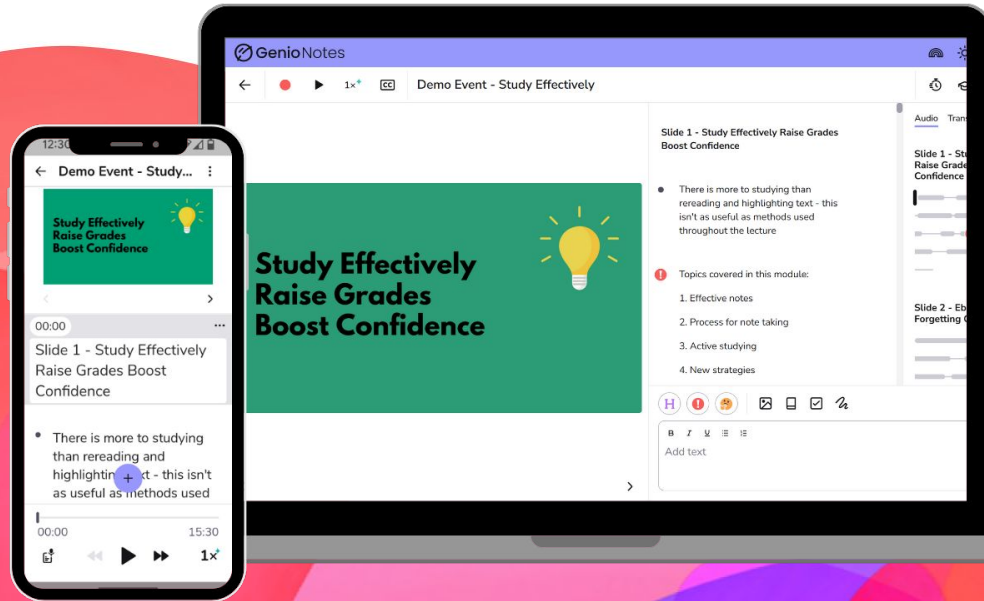

Getting started

Accept Your Genio Notes Invite

- Make sure to check your inbox for an invitation like this ➡️

- Click to accept, set a password, and you're good to go!

**Remember to bookmark Genio Notes in Google Chrome so you can locate it easily ready for class! ✏️**

Subject: 4 Tips for getting started with Genio Notes

⊘ GenioNotes

Amy welcome to Genio Notes!

Taking notes and studying just got so much easier.

Genio Notes is super simple to use, but we always recommend getting to know your way around *before* your first class so you know what to expect.

Start here:

+ New Event

Create your first **Event**. This is where you'll record audio & create notes.

In-Person Recording
Microphone
Remote Recording
Screen Audio
Screen Audio & Mic

Get to know **audio recording**. There are different options for online vs in-person classes.

Bookmark the homepage so you can easily return.

Demo of Genio Notes

Genio Notes on your phone!

Google Play

App Store

✅ Record classes from your phone

✅ Review recordings

✅ Syncs automatically to your laptop

✅ Transcribe your recordings
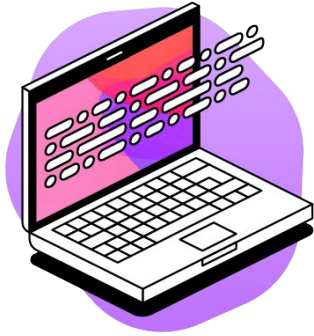

✅ Take a photo 📸 and add to your recording
